

Take a look
at what we
NOW
have to offer

Continuum[®]

The only brand approved for
3-year use in **both** cats and dogs

We are proud to announce that we now offer **3-year vaccinations with Continuum** to protect against the most common pet diseases. Continuum DAP provides dogs with protection against distemper, hepatitis, and parvovirus for 3 years, and Continuum Feline HCP provides cats with protection against herpesvirus, calicivirus, and panleukopenia infection for 3 years.
